

# Phoenix Contact USA Media Kit

Phoenix Contact is a global market leader based in Germany. Since 1923, Phoenix Contact has created products to connect, distribute, and control power and data flows. Our products are found in nearly all industrial settings, with a strong focus in the energy, infrastructure, process, factory automation, and e-mobility markets.

Sustainability and responsibility guide every action we take, and we work with our customers to empower a smart and sustainable world for future generations. Our global network includes 22,000 employees in 100+ countries. Phoenix Contact USA has headquarters near Harrisburg, Pa., and employs more than 1,100 people across the U.S.
