

2022 THERMOMARK ROLL printer promotion

Customer: _____	Distributor: _____
Address: _____	Address: _____
City, state, zip: _____	City, state, zip: _____
Printer contact: _____	ISE/ESE: _____
Contact e-mail: _____	PO number: _____

To introduce customers to Phoenix Contact identification solutions for wires, cables, harnesses, and electronic and industrial devices, we are offering a limited-time promotion on our thermal transfer roll printers. The program requires a qualifying purchase order of roll printer consumables (shrink sleeves, wire wraps, adhesive labels, ink ribbons, etc.). It is open to both new and existing customers.

Choose one of the options below:

THERMOMARK ROLL 2.0 (#1085260)

Order \$750 of roll printer consumables

Compact desktop printer for printing shrink sleeves, self-laminating wire wraps, and adhesive labels. Ideal for lower volumes with minimal material changeover.

THERMOMARK ROLLMASTER 300 (#0804501)

Order a minimum quantity of 3 “WMS....RXL” reels of shrink sleeves (see page 2 for a list of part numbers)

Large, rugged desktop printer designed for high-volume users of shrink sleeves. Also prints on other wire labels and adhesive labels.

Terms and Conditions:

- Required consumables (shrink sleeves, wire wraps, adhesive labels, or ink ribbons) and printer to be on ONE PO.
- **Distributors:** Email completed form and your PO to **US-Marketingpromos@phoenixcontact.com**
- Promo applies to new orders of roll material only – previous orders will not be considered
- Limited to one (1) promo per customer
- Offer good through December 31, 2022

Shrink sleeves (“WMS”) RXL part numbers

(For Rollmaster Promo)
