

Certificate

Functional Safety Management

FS Management (TÜV Rheinland)

IEC 61508 Parts 1-7:2010 - E/E/PE Safety Related System Realization (Phase 10)
FSM 103 - Centralized Group Certification

Certificate No.

968/FSM 103.18/22

Certified Company & Location

Phoenix Contact Electronics GmbH
Dringenauer Str. 30
31812 Bad Pyrmont
Germany

for further regional locations see appendix

Scope of Certification

Centralized Group Certification for IEC 61508 Parts 1-7:2010
considered following Safety Life-Cycle Phase

Phase 10 - Manufacturer - E/E/PE safety related System Realization

Details and limitations regarding the **Technical Scope and Local Scope of Certification** of committed Business Units are listed in the attached **Certificate Appendix 968/FSM103.18/22**, which forms integral part of this certificate.

The certified company has successfully demonstrated during an audit process that a Functional Safety Management System has been implemented and applied accordingly.

Purpose of the audit is to obtain evidence of compliance with the organizational requirements related to the following aspects, **Management of Functional Safety, Documentation, Functional Safety Assessment** and Safety Lifecycle Phases according to the Technical Scope of Certification up to and including **Safety Integrity Level 3 (SIL3)** and **Systematic Capability 3 (SC3)**.

It does not replace approval or certification for specific safety E/E/PE-safety related systems or product developments.

Validity

This certificate is valid until 2025-06-30

Cologne, 2022-10-05
