For participation in the Phoenix Contact Pty Ltd (ABN 28 069 405 125) (**Phoenix Contact Australia**) “Complete Cabinet Confidence” Lifetime Warranty (LW) program, customer registration is required. Certain restrictions apply. Warranty cover of products in the program is strictly limited to Phoenix Contact manufactured products and must have been purchased from Phoenix Contact Australia or a Phoenix Contact Australia authorized Australian distributor. Improperly applied or installed products may void warranty. See the complete terms and conditions below for full details of this warranty.

TERMS AND CONDITIONS

Phoenix Contact Australia “Complete Cabinet Confidence” Lifetime Warranty Program

The following warranty is exclusive and is offered in addition to Phoenix Contact Australia’s other published base product warranties.

Under the Phoenix Contact Australia’s “Complete Cabinet Confidence” Lifetime Warranty (LW) program, warranty cover commences on the respective date of registration in the program. Phoenix Contact Australia warrants to original buyers of products set out in the covered product list below (Products) from Phoenix Contact Australia’s or Phoenix Contact Australia’s Authorized Distributors in Australia, as well as subsequent purchasers of OEM equipment into which the Products have been installed by the original buyer, as long as the original buyer and subsequent purchaser(as applicable) have registered in the program, that the Products will be free from defects in workmanship and materials for the lifetime of the Product.

Covered Product List:

This warranty covers all Products purchased from Phoenix Contact Australia in the following categories, except as explicitly listed in the excluded product list set out below (Excluded Product List).

- **Controllers**
- **Electronic contactors and motor control**
- **Functional safety**
- **Industrial communication technology**
- **Installation and mounting material**
- **I/O systems**
- **Lighting and signaling**
- **Marking and labeling**
- **Measurement and control technology**
- **Monitoring**
- **Power supplies and UPS**
- **Protective devices**
- **Relay modules**
- **Sensor/actuator cabling**
- **Surge protection and interference filters**
- **System cabling for DCS and PLC**
- **Terminal blocks**
- **Tools**

Excluded Product List:

Industrial PCs, Human Machine Interfaces, Software, Automatic Tools, Printers and Batteries are not included in this program. Normal wear and tear on electromechanical relay contacts, surge protection devices, printer associated consumables and wearable parts of hand tools are not covered. Wearable parts include, but not limited to: tips of screwdrivers, springs, cutting edges of a tool and the die set in a hand crimp tool, print heads & inks.

Program Detail:

Phoenix Contact Australia will repair or replace any defective Product if, in its sole discretion, the Product falls within the terms of this warranty and is determined to be defective. Replacements will be limited to the availability of identical replacement or compatible hardware. Repairs will be limited by the availability of replacement components. Advance replacements will not be provided, and any shipping or handling costs incurred in returning the Product to Phoenix Contact Australia are not covered.

No warranty will be given for damage resulting from, among other things, abuse, neglect, misuse, accident, improper storage, incorrect power sourcing or accessories, altering the Product from its original state, or for any Product which has not been installed, operated or maintained within Phoenix Contact Australia's published Product specifications and installation recommendations. Furthermore, all electronic components covered under this program must be powered and protected at the time of installation, and at all times thereafter, in accordance with Phoenix Contact Australia's recommendations for power supply and surge suppression protection. To ensure coverage of electronic components under this program, any application specific questions regarding the proper selection of any power supply and protection components should be directed to Phoenix Contact Australia's Technical Support Team. Phoenix Contact Australia makes no warranty with respect to any Products which are manufactured by or which carry the brand of a third party who is not an affiliate of Phoenix Contact Australia.

In no event shall Phoenix Contact Australia be liable (regardless of the form of action, whether in contract or in tort or otherwise, including negligence) under this warranty for special, indirect, incidental, consequential or punitive damages alleged to be as a consequence of any damage to, failure of, or defect in any Product, including damages for lost profits, data, time, revenues and the like, even if Phoenix Contact Australia is advised in advance of the possibility of such damages.

Purchases of Products made prior to registration in this program are not eligible for coverage. For all claims submitted for coverage under this program, Phoenix Contact Australia reserves the right to audit the application and purchase history for products referenced in the claim to confirm proper compliance with the terms and conditions specified for coverage under this program.

Upon discovery of any alleged defect, the program participant shall promptly notify Phoenix Contact Australia, via the Complete Cabinet Confidence LW Claim request procedure located on the Phoenix Contact Australia website, of any product failure or defect and such notice must contain reasonable detail as to the nature of the failure or defect within thirty (30) days of such discovery of any alleged defect. Failure to give the notice within this period may constitute a waiver of any rights under this warranty.

Phoenix Contact Australia reserves the right to terminate this warranty program at any time. Should this program be terminated, any purchases made by registered participants of the program during the period while the program was active would remain covered by the program.

This warranty applies only to Phoenix Contact Australia's Products which are sold/purchased in Australia and which were purchased from Phoenix Contact Australia or an authorized distributor of Phoenix Contact Australia.
