Tools

5-year Extended:

Industrial PCs, Human Machine Interfaces are excluded from Limited Lifetime Warranty, however with LLW program registration, Phoenix Contact Ltd. will extend existing warranty to 5 years.

Excluded Product List:

Automatic Tools, Printers and are not included in this program.

Normal wear and tear on electromechanical relay contacts and wearable parts of hand tools are not covered. Wearable parts include: tips of screwdrivers, springs, cutting edges of a tool and the die set in a hand crimp tool.

Batteries and replacement of batteries of electronic devices and **LEDs** of lighting modules are not covered.

Program Detail:

Phoenix Contact Ltd. will repair or replace any defective product if, in its sole discretion, the product is determined to be defective. Replacements will be limited to the availability of identical replacement or compatible hardware. Repairs will be limited to the availability of replacement components. Advance replacements will not be provided and any shipping or handling costs incurred in returning the product to Phoenix Contact Ltd. are not covered.

No warranty will be given for damage resulting from, among other things, abuse, neglect, misuse, accident, improper storage, incorrect power sourcing or accessories, altering the product from its original state, or for any product which has not been installed, operated or maintained within Phoenix Contact's published product specifications and installation recommendations. **Furthermore, all electronic components covered under this program must be powered and protected at the time of installation, and at all times thereafter, in accordance with Phoenix Contact's recommendations for power supply and surge suppression protection.** To ensure coverage of electronic components under this program, any application specific questions regarding the proper selection of any power supply and protection components should be directed to Phoenix Contact Ltd.'s Technical Support Team. Phoenix Contact Ltd. makes no warranty with respect to any products which are manufactured by or which carry the brand of a third party who is not an affiliate of Phoenix Contact Ltd.

In no event shall Phoenix Contact Ltd. be liable (regardless of the form of action, whether in contract or in tort or otherwise, including negligence) for special, indirect, incidental, consequential or punitive damages alleged to be as a consequence of any damage to, failure of, or defect in any product, including damages for lost profits, data, time, revenues and the like, even if Phoenix Contact Ltd. is advised in advance of the possibility of such damages.

Purchases made prior to registration in this program are not eligible for coverage. For all claims submitted for coverage under this program, Phoenix Contact Ltd. reserves the right to audit the application and purchase history for products referenced in the claim in order to confirm proper compliance with the terms and conditions specified for coverage under this program.

Upon discovery of any alleged defect, the program participant shall promptly notify Phoenix Contact Ltd., via the LLW Claim request procedure located on the Phoenix Contact Ltd. website, of any product failure or defect and such notice must contain reasonable detail as to the nature of the failure or defect within thirty (30) days of such discovery of any claim. Failure to give the notice within this period may constitute an unqualified acceptance and waiver of such claim.

Phoenix Contact Ltd. reserves the right to terminate this program at any time. Should this program be terminated, any purchases made by registered participants of the program during the period while the program was active would still remain covered by the program.

This warranty applies only to Phoenix Contact Ltd.'s products which are sold in Canada and which were purchased from an authorized distributors or solution partners of Phoenix Contact Ltd. If purchased from the following LLW participating distributor, then proof of purchase may not be required:
