

Our Industrial Cabinet Solutions (ICS) Group provides customized combination cables to meet customer specifications and design requirements. Our cabling capabilities provide our customers with an extension of our standard Phoenix Contact product catalog using modified standard items from in-stock cables, connectors, marking material, and various other components. All ICS cabling is manufactured here in our U.S. facility, which provides our customers with a quick turnaround from quote through production!

At Phoenix Contact, our approach is innovative, sustainable, and based on partnership. Our value-added solutions help our customers across all industries develop sustainable applications with more efficient processes and reduced costs on the path to a smart world.

Have an opportunity and don't see a specific component/capability mentioned here?

Ask us about additional components, materials, and capabilities not shown!

QUALITY AND APPROVALS

Systems and processes

- Mandatory 1st article inspection
- Our engineering design process tracks and manages all design changes

Integrated management system registrations

- Quality: ISO 9001:2000
- Environmental: ISO 14001:2004
- Safety: BSI OHSAS 18001:2007

Cable Solutions

CUSTOM WIRE PREPARATION

- Custom wiring
- Custom strip lengths (cable jackets and individual conductors)
- Blunt cuts
- Leave slugs on
- Tin dipping
- Apply heat shrink

Ferrules (Insulated/uninsulated)

Cable lugs (Insulated/uninsulated)

Slip-on sleeves

Fork lugs (Insulated/uninsulated)

Plastic cable tags

Fitted plastic markers

SPlicing

Heat shrink

Butt splices

KITTING

Take advantage of kitting options for cables assemblies, connectors, and various other components

CONNECTORS

Printed circuit board connectors (Combicon)

M12s (Shielded/unshielded)

M8s (Shielded/unshielded)

M12 Ethernet (D/X/A-Code)

7/8"

M12 Power

DSUBs

RJ45s

CUSTOM MARKING/LABELING

Adhesive labels

Flag labels

Heat shrink labels

Aluminum/stainless cable tags

Plastic cable tags

Fitted plastic markers

CABLE CONDUIT AND CABLE GLANDS

Plastic conduit

Stainless conduit

CABLE BUNDLING

Cable ties

Plastic markers

HEAVYCON ASSEMBLIES

Partial assembly

Single insert full assembly

HEAVYCON modular full assembly

CUSTOM PACKAGING AND LABELING

Packaging:

- Determined by dimensions
- Protective wrapping
- Corrugated paper
- Boxing

Labeling:

- Package
- Cable assembly
- Individual components
