Phoenix Contact recognized among “Best Places to Work in PA” Central Penn Business Journal and Lehigh Valley Business Announce 2023 Best Places to Work in PA

Middletown, Pa. – Central Penn Business Journal and Lehigh Valley Business have named Phoenix Contact USA as one of the Best Places to Work in PA. Phoenix Contact ranked #14 among large businesses. The awards are held in partnership with Best Companies Group.

“Our employees have spoken, and once again, they have said Phoenix Contact is a Best Place to Work in Pennsylvania,” said Jack Nehlig, president of Phoenix Contact USA. “We are humbled by this recognition, but I believe it’s a testament to the friendly and trusting culture that Phoenix Contact has built over the years. As Phoenix Contact comes to the end of its 100th anniversary celebration, this is a fitting way to underscore all that we have achieved together.”

Best Places to Work in PA identifies, recognizes, and honors the best places of employment in Pennsylvania in three categories: small employer (15-99 employees), medium employer (100-249), and large employer (250 or more). To be considered, companies must be a publicly or privately held business, be a for-profit or not-for-profit business or government entity, have a facility in the state of Pennsylvania, have at least 15 full- or part-time employees working in Pennsylvania, and be in business a minimum of one year.

Best Companies Group managed the overall registration and survey process and also analyzed the data and used its expertise to determine the final rankings.

There were two parts used to determine the rankings. The first consisted of evaluating each nominated company's workplace policies, practices, and demographics, worth approximately 25% of the total evaluation. The second part consisted of an employee survey to measure the employee experience, which consisted of 75% of the total. The combined scores determined the top companies and the final ranking.
